

# LABELING & REGULATORY COMPLIANCE

at The Food Processing Center

Understanding FDA and USDA labeling regulations can be a daunting task for any company. By utilizing our expertise, your company can save time and avoid costly mistakes as a result of improperly labeled food products.

An outstanding team of expert food scientists, food engineers and business consultants, combined with state-of-the-art facilities and equipment, allows The Food Processing Center to provide a broad spectrum of services and support to the food manufacturing industry. Fee-based assistance is customized to the client's needs and provided on a confidential basis.
